Farmer Agreement

A. The Parties agree to these general provisions:

1. This Agreement is not transferable. Any change in ownership or rights of ownership, cessation of operation, or relocation of a farmer terminates this agreement and the farmer's authorization to accept WIC food instruments is ended. This Agreement does not constitute a property interest. If the farmer wishes to continue to be authorized beyond the period of its current Agreement, the farmer must reapply for authorization. If a farmer is disqualified from participating in the WIC Program, the Program will terminate this Agreement, and the farmer will have to reapply in order to be authorized after the disqualification period has ended. In all cases, the farmer's new application will be subject to the Program's authorization criteria and any limiting criteria in effect at the time of the reapplication. Termination of this Agreement due to change in ownership or relocation may not be appealed.
2. The Program will immediately terminate this agreement if it determines that the farmer has provided false information in connection with its application for authorization. Either the Program or the Farmer may terminate this Agreement for cause after providing written notice to the other party at least 15 days in advance of the termination date.
3. The Program, as well as officers, agents, and employees of the Program, are not responsible for losses incurred by the farmer as a result of investigation into an alleged violation, suspension of authorization, and/or denial of application for authorization.
4. Payment obligation by the Program is contingent upon the availability of Federal or State funds allocated for payment of such an obligation. If funds are not available for continuance of service, this Agreement shall become void, and services shall be terminated by the Program. Payment will be made on all valid instruments in circulation with an issue date prior to the voiding of this Agreement. The Program shall notify the farmer at the earliest possible time of any service that will or may be affected by lack of availability of Federal or State funds.
5. The Program, including its representatives at local jurisdiction WIC offices, may conduct monitoring of WIC authorized farmers to determine the farmer's compliance with applicable federal and state policies and regulations, the WIC Farmers Handbook, and the WIC State Plan of Operations. The monitoring may include random monitoring, educational buys, and covert compliance buys without the knowledge of the farmer. The Program has sole discretion as to whether or not to notify a farmer in writing when an investigation reveals an initial violation for which a pattern of violations must be established in order to impose a sanction pursuant to 7 CFR § 246.12(l)(3) and COMAR 10.54.03.16.
6. Should the farmer lose the farmer's business due to a fire or natural disaster and the business is able to reopen or operate within thirty (30) days, the farmer shall retain the farmer's WIC authorization. However, if more than thirty (30) days are needed to reopen, the Program shall terminate this Agreement, and the store must reapply for authorization and be approved as a WIC farmer in order to obtain authorization to operate as a WIC farmer.
7. The farmer Sanction Policy, as detailed in the Farmer Handbook and the Program's State Plan of Operations, shall be a part of this Agreement. The current version of the farmer

Sanction Policy, Farmer Handbook, Application Packet, and the State Plan of Operations are incorporated by reference into this Agreement. The WIC Program will update these documents as required, and the farmer is subject to the requirements of the most recent update. In addition, the farmer is subject to the terms of the Sanction Policy in effect at the time the farmer violates a provision of the Agreement.

8. Except as provided elsewhere in this agreement, a farmer has the right to appeal a Program decision pertaining to a denial of application for authorization or a suspension of authorization within 10 days of the date of the farmer's receipt of the notice of denial or notice of suspension.
9. The Program may suspend the farmer's authorization to operate as a WIC farmer for reasons of program abuse, failing to adhere to WIC policies and procedures, failing to adhere to applicable State and Federal statutes and regulations, the WIC Farmer Handbook, the State Plan of Operations, and/or failing to adhere to the provisions of this Agreement.
10. A disqualification from the Farmer's Market Nutrition Program (FMNP) or disqualification from any other Food and Nutrition Service (FNS) Program will result in an automatic suspension from the WIC Program for the same, but not necessarily concurrent, amount of time. Farmer disqualifications resulting from FMNP disqualification are not subject to administrative or judicial review.
11. The Program may disqualify a farmer that has been issued a civil money penalty under the FSP pursuant to 7 CFR § 246.12 of the WIC Program Regulations. The Program may also impose a civil monetary penalty in accordance with the formula outlined in 7 CFR § 246.12.
12. Notice of a store's suspension of authorization from the WIC Program will be forwarded to the United States Department of Agriculture (USDA) and may be grounds for disqualification of the Farmer from other FNS Programs, including the FSP. Such disqualification may not be subject to Administrative or Judicial Review under the Food Stamp Program.
13. The relocation of a WIC farmer terminates this Agreement, and the farmer must reapply for a new period of authorization and be authorized as a WIC farmer by the WIC Program before it may operate as a WIC Farmer at the new location.
14. A farmer who commits fraud or abuse of the Program is liable for prosecution under applicable Federal, State, or local laws, and may be, if convicted, subject to a fine of not more than \$25,000 or imprisonment for not more than 5 years or both in accordance with 7 CFR § 246.12(h)(3)(xx) and 7 CFR § 246.23(d).
15. The provisions of this Agreement are governed by Maryland law.
16. The Program may terminate this Agreement for cause or for convenience if it determines that such a termination would be in its best interest. The Program will pay all reasonable costs associated with this Agreement that the farmer has incurred to the date of the termination. These costs are limited to properly redeemed food instruments. However, the farmer shall not be reimbursed for any anticipatory profits that have not been earned up to the date of the termination.
17. The Program may amend this Agreement upon 15 days notice to the farmer in order to comply with any new Federal or State laws or regulations or policies issued by the USDA.

In all other instances, the Agreement may only be modified as the Program and the farmer mutually agree in writing.

18. The Program will terminate the Agreement if the Program identifies a Conflict of Interest. It is unlawful for any State officer, employee, or agent to participate personally in his official capacity through decision, approval or disapproval, recommendation, advice, or investigation in any contract or other matter in which he, his spouse, parent, minor child, brother, or sister has a financial interest or to which any firm, corporation, association, or other organization in which he has a financial interest or in which he is serving as an officer, director, trustee, partner, or employee, or any person or organization with whom he is negotiating or has any arrangement concerning prospective employment, is a party, unless such officer, employee or agent has previously complied with the provisions of State Government Section 15-501 et seq. of the Annotated Code of Maryland.
19. The Program may reassess the farmer at any time during the Agreement period using the current selection criteria. The Program will terminate the Agreement if the farmer fails to meet the current farmer selection or authorization criteria.
20. The Program has sole discretion to designate the date, time, and location of all interactive farmer training.
